Update at 11:40 has already changed due to equipment issues. Latest is Wed. 4:20 update:

NEWS FLASH

THURSDAY, MAY 5 – ramp closures at Skyline Road (Exit 299) and Mescal (Exit 297). Each ramp may be closed for as long as three hours. Only one ramp will be closed at any given time.

Order of Ramp closures:
Eastbound off-ramp at Mescal
Eastbound on-ramp at Mescal
Eastbound off-ramp at Skyline
Eastbound on-ramp at Skyline

Work will then move to westbound, with the Skyline off-ramp then on-ramp, proceeding to Mescal off-ramp, then on-ramp.

FRIDAY, MAY 6 – crews will resume paving the right lane of eastbound I-10 and, time permitting, move to westbound I-10 in the same area (between 301-296) with brief closures of the ramps at to allow for paving in front of the ramps.

MONDAY, MAY 9 – Paving on westbound I-10 will conclude on Monday (May 9) if necessary.
