

Subscription to the Tri-Community Newsletter

Due to ever increasing printing and postage rates, we are limiting this service to those who do not have ready access to email or high-speed connection to the web.

After the free introductory offer for three months, businesses will pay a minimal fee toward the operation of the web-based newsletter central. Therefore, it is necessary to recover our production costs for the black and white copies and the current 59-cent postage by charging \$ 2.00 per issue.

Please print and complete the following form identifying the monthly issues you wish to purchase. Make check or money order payable to J-6/Mescal CDO and mail with form to:
